GENERAL GUIDELINES FOR USING NLB

God makes no mistakes.

NLB sometimes does.

Don't turn off
your common sense.

1

**Double-check
your Bible
for yourself.**

The Lord does not change.

And, unless you spill your morning
coffee on the pages, neither will
your printed Bible.

2

**However, NLB may generate
different answers on different
days, so don't be surprised.**

- 3** The Holy Spirit not only understands all languages, formal and informal, He also knows the deepest yearnings of our hearts and minds.

NLB can process many languages, even some jargon and slang – it cannot read minds however.

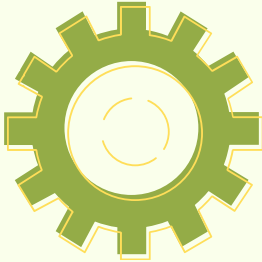

Query NLB the way you naturally talk, don't worry about misspellings or bad grammar, but include as much background information and context as you can.

- 4** We recommend that you provide context in your query when asking follow-up questions.

Reply to an NLB answer with "Yes I'd like additional examples about the king" or "Tell me more about these Psalms" or instead of just "More."

Practice using our examples to the right to learn how to interact with NLB and hone in on what you are looking for.

5 As this is the initial BETA rollout of NLB, lists and verses are limited to 5 items at a time.

There will be future capability for **NLB+power-users** with additional application functionality.

6 If NLB gives you an answer that doesn't include the content of each verse, feel free to ask NLB to list out verse text from a particular version.

Getting this right at times takes trial and error.

New International Version

The LORD is my shepherd, I lack nothing.

New Living Translation

The LORD is my shepherd; I have all that I need.

Kings James Version

The LORD is my shepherd; I shall not want.

Romans 15:13 ~ May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope.

Romans 12:12 ~ Rejoice in hope, be patient in tribulation, be constant in prayer.

Philippians 4:4 ~ Rejoice in the Lord always; again I will say, rejoice

7 NLB is designed to provide Bible verses on any requested topic. If you ask NLB to answer a Bible-related question, it will give you verses to help you arrive at a conclusion for yourself.

8 Troubleshooting

WHEN IN DOUBT, RESET!

NLB is at times subject to "query fatigue" and "drift." This means if NLB seems to be non-responsive or sluggish, feel free to reset the application by clicking the HOME link or NLB header (circle logo or title text).
